Steve and Carrie,

Below is the ESA approach that R4 developed following up on requests coming out of Tuesday's meeting in Atlanta. They are sending to Trey to give to Matt, Dave, and David, and have asked us not to forward on; Trey would like to be the one to send it to HQ senior leadership.

At the staff level, Alexis and I, as well as Region 4 staff, believe

Ex. 5 Deliberative Process (DP)

But we can discuss that tomorrow morning.

Hello, Jeneanne –

We took the previously negotiated draft ESA language for the FDEP-EPA MOA and added new elements.

You will see the tracked changes add two new elements

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Tracked changes below that are for flow, and to add language to highlight existing paths.

If you would like a clean copy to forward to Trey, we're happy to provide it, just thought this would highlight new material.
